<u>Helpful Hints</u>

1. Download the DB Navigator app before arriving at Munich Airport.

2. Connect to free Munich Airport WiFi.

3. When you land in Munich follow the red DB (deutsche-bahn) signs to the S Bahn underneath terminal 1 and order your ticket to Garmisch via the app or at one of the automated ticket stations. Then hop on the S1 or S8 train to Hauptbahnhof (Munich Central Train Station).

4. Once you arrive at the Munich Central Station the train is usually at platform 28, but sometimes the train is switched to a different rail between 28 and 35. Make sure you're on "RB-6" which is the route to Garmisch.

5. You will probably arrive on a Sunday afternoon or evening which means that almost everything is closed and you're lost and confused. Eat something before you arrive and maybe grab a few waters. There will be nothing open if arrive after 2000 due to delays grab something on the way.

6. There should be taxis outside the train station and they only take Euros. Grab one for the Artillery Kaserne and have them print a receipt to claim on your voucher.
